DEDICATION

O Gracious Mother thru whose holy hands
 must pass all grace from God
 Thy love is like a flowing stream that spans
 eternal time
 And as it keeps its steady pace
 the flowers by the edges draw
 Upon the waters of Thy Grace.
 From Him the virtues of Thy Soul didn't come
 that simulate the colors of tranquil skies
 Thou art a never-ending setting sun
 a sea-of-life that never dies.
 Thou was't always clean
 from conception to thy death
 And on thy soul has never been
 any sin in thought or breath.
 And as this year is meant to give
 special praise in honor of thee
 So also the pages in this book will live
 in Thy loving memory.

Best of luck
 to a swell girl.

CONGRATULATIONS

. . . to our Bishop, the Most Reverend Aloysius J. Willinger, C.Ss, R., D.D., from the students of San Joaquin Memorial High School. This is a year of special rejoicing for the clergy and laity of the Diocese of Monterey-Fresno, as well as for our zealous Bishop, who is celebrating the Silver Jubilee of his Consecration to the fullness of the Priesthood. With pride and gratitude we view his manifold accomplishments for Holy Mother Church during a quarter of a century of devoted service.

We, the students of San Joaquin Memorial High School, join with all the faithful of the diocese in prayer and good wishes for our Bishop. May our Lady watch over our shepherd and his flock. May this year of his Silver Jubilee be truly a Marian Year.

THE MARIAN WAY

Executive Council of the Boys' Federation with Brother Matthew, Moderator

The Boys' Federation is organized to promote concerted action and to govern those phases of activity which are almost entirely in the Boys' department. The Religious activities, the Intramural sports, the Traffic Commission, Rally Committee and the Block M Society are the groups which comprise the Federation. Executive meetings are held prior to the Student Body meetings to discuss the problems which are then brought to the attention of the students.

The Federation has proven most effective and has been responsible for a well-organized program of Student activities.

BROTHER MATTHEW ADDRESSES A MEETING OF THE FEDERATION

THE MARIAN YEAR COMMITTEE

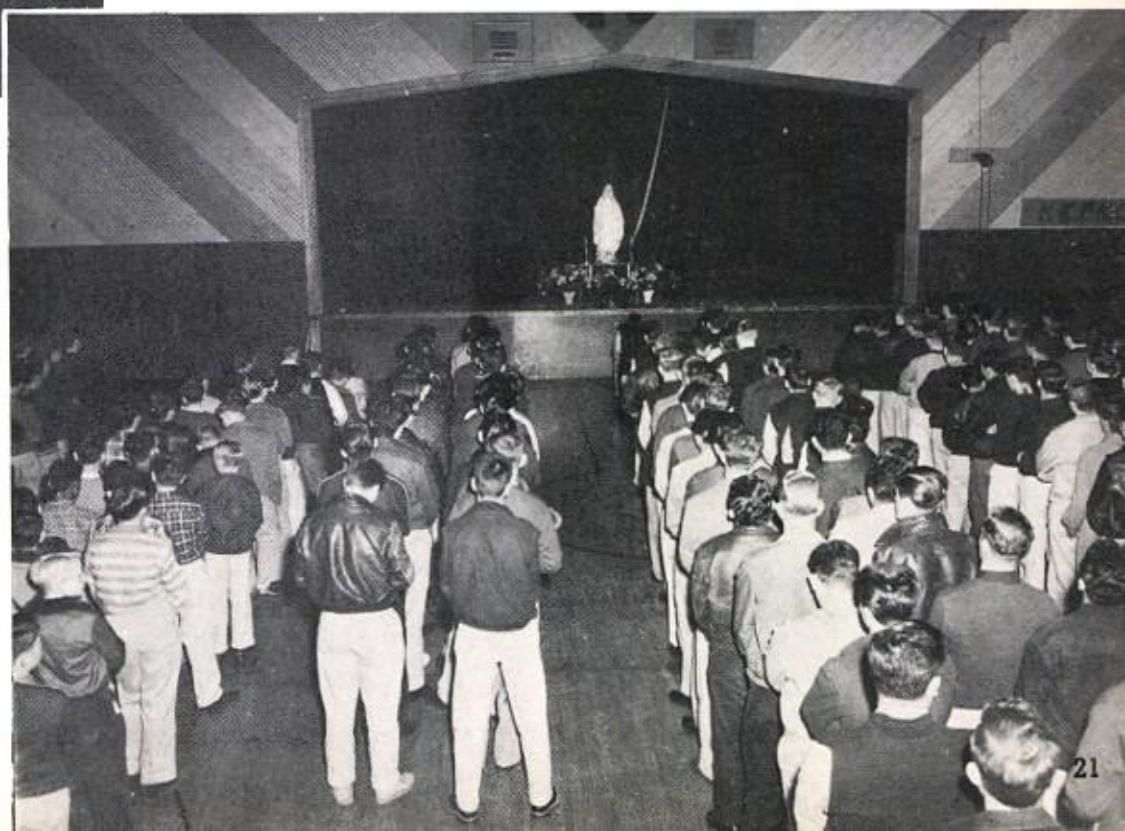

MARIAN YEAR COMMITTEE

In response to the Holy Fathers' proclamation of the Marian Year, the Boys' Student Body organized a Marian Year Committee for the purpose of special devotions to the Holy Mother of God. Weekly recitation of the Rosary, special ejaculations, shrines, and the Living Rosary were all a part of the devotion. As a special feature the classes held cake sales and made small collections to purchase a statue of the Immaculate Conception which will be erected in honor of the Holy Mother of God in this Her Marian Year.

Congratulations are certainly in order for the wonderful support given to this Committee by the entire Student Body.

The Living Rosary was recited in the Brothers' Chapel.

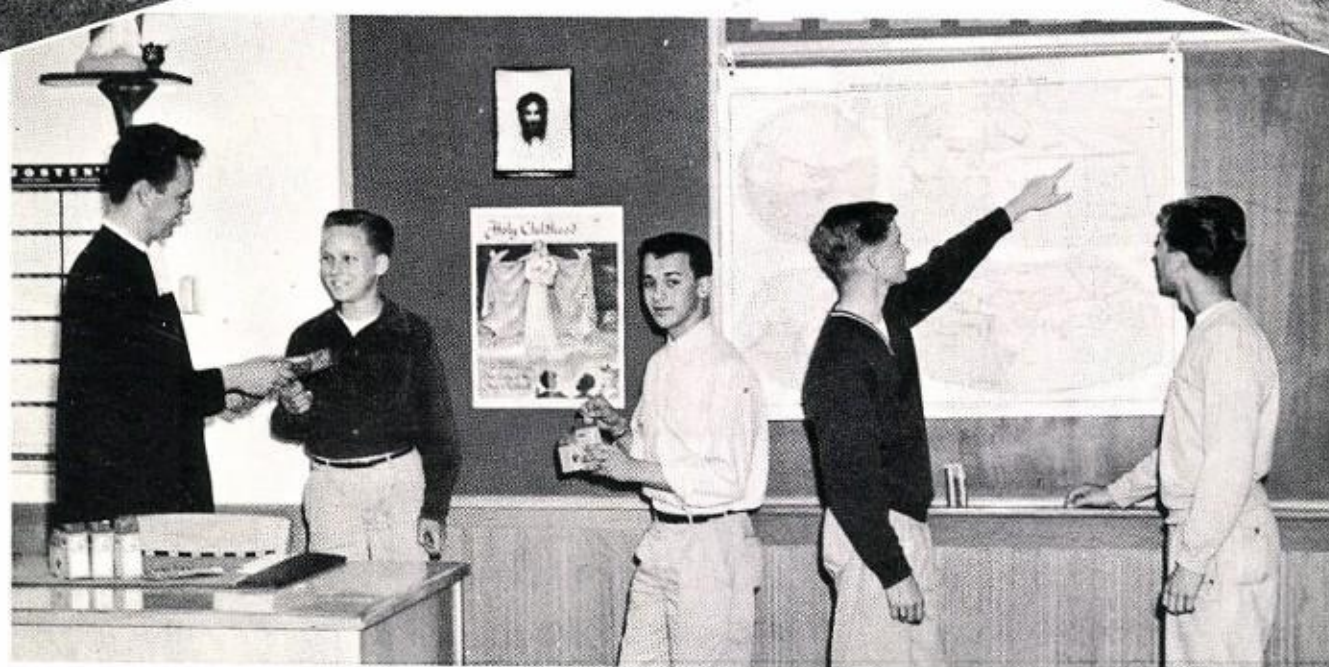

Weekly Recitation of the Rosary by the Boys' Student Body.

FOREIGN MISSION SOCIETY

This Society is organized to give Material and financial aid to the Missions conducted by the Christian Brothers. For this purpose drives are held in the school for clothes and books to send to the Missions. This year a special drive was held for the Brothers' School in Sendai, Japan. The response of the Student Body was excellent as witness the picture on the left of this page.

Also included in the program of the Foreign Mission Society are the Holy Childhood collections. During Lent contributions were made to assist the work of the Missionary Priests in the Orient. This year the boys collected \$706.00. Below are the Class Vice-Presidents who are the officers of the Foreign Mission Society.

Brother Malachy, Moderator and Phil Lips, Chairman.

THE PONTIFICAL ASSOCIATION OF THE HOLY CHILDHOOD COLLECTIONS

Father Vasquez congratulates Phil Lips, Chairman, for the success of the Christmas Baskets drive while Brother Malachy, Moderator, looks on.

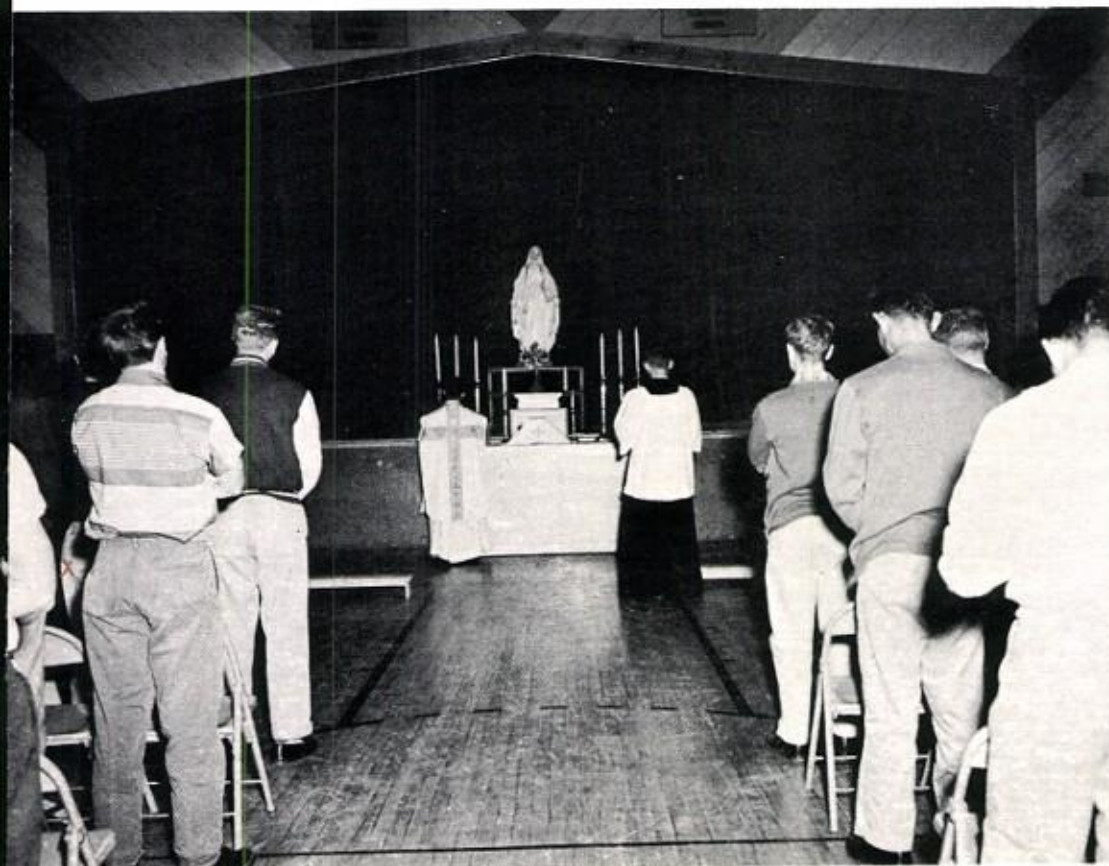

ARCHCONFRATERNITY OF THE DIVINE CHILD

The primary purpose of this organization is to unite in a prayerful crusade for good Vocations to the Priesthood and the Religious Life. A Novena is held each month from the 16th to the 25th for this intention. The Boys Student Body assists at a Mass on the 25th.

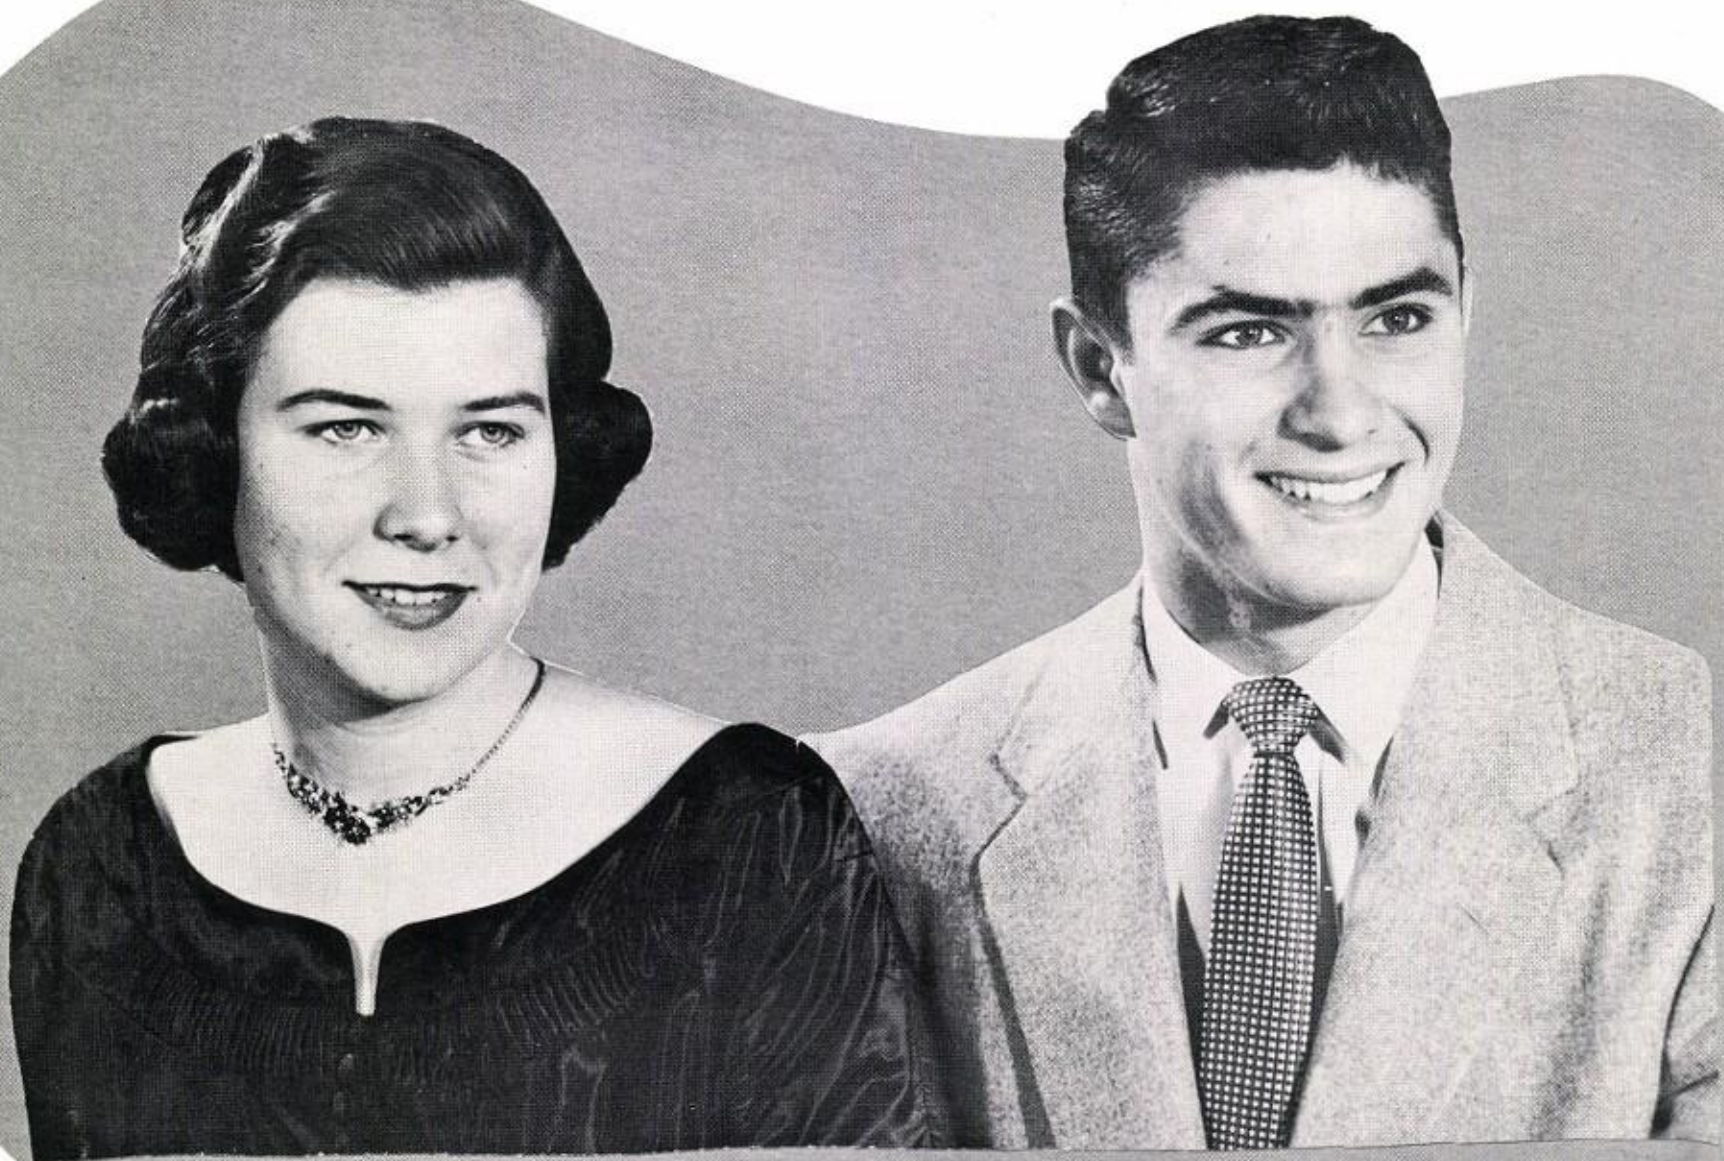

Another project of this organization is the annual Christmas Baskets for the poor. This year the drive was a tremendous success.

Father O'Connor, of the White Fathers of Africa gave a talk on the Mission work of his order. He is pictured with Charles Vanoncini and Brother Matthew.

Father Tapia said Mass on the 25th of each month for good vocations.

Dear and loving Blessed Mother, in accordance with the act of consecration we have made to thee, we resolve, in all of our games and in all of our dealings with our opponents, to bear in mind that we are thy sons. We promise always to do our best and in doing it, to be ever mindful that wholehearted service and sportsmanlike conduct, on the playing field and off, is service and honor to thee.

Obtain for us, we beseech thee, that we may never be discouraged when losing, never proud or boastful when winning, not easily resentful when injured or wronged. And above all, that we may never return evil for evil: but that our conduct may ever be such as to bring honor and glory to our school and to thee.

To Connie: (a girl?)

I got big writting so you're going to have to excuse the mess. Connie I will begin at the beginning. Do you recall one year ago at about this same time. we were in St Alphonsus getting ready for high-school & all excited about graduation. You used to talk about ~~Sammy~~ ^{Louie} & I used to talk about Tony. Then our picnic remember I was hoarse & couldn't even talk. I went for a walk with doctors that day while you talked with Anthony, Grice & Gary Amos. Then all of a sudden we saw no more of each other that summer. Then school opened here & we entered the ninth grade. It wasn't all candy & cake with us but finally here we are you talking about your 'amigos' (notice the e) & me talking about (?). As it goes I hope you don't abandon Tony completely. But don't feel ~~too~~ sorry for him and ~~just~~ forget about Sango. By the way don't let Sara worry you she's not much competition. I hope in the future to know Carmen better & remain your friend forever
